Communication skills

Excellent listening skills in group work to try to reach the final goal in the most efficient way.
 Excellent assertiveness to make sure to express my opinion if I believe that it can constitute a resource

and an advantage for the group.
Both achieved mainly thanks to my years of work.

Organisational / managerial skills

Excellent autonomous organization of the work to be done and the management of free time in order to make any moment useful and efficient.
Developed mainly thanks to my years of sustained work during the period of university studies in which the ability to know how to reconcile these two realities is fundamental.
